

Skipwith Common Waymark Trails

Route 1 (red), Bombs and Lizards – A flat, level route taking you around part of this National Nature Reserve following the old tarmac runway

Route 2 (blue), Hidden Archaeology - A circular walk on the Common which encompasses some of the older archaeological features.

Route 3 (yellow), Skipwith Explorer - A half day circular walk which takes you around most of the path network on the site and through the historic village of Skipwith, whilst avoiding the dangerous boggy sections of the Common. There are some stiles on this route.
